

THE CHURCH OF ST. JOHN THE BAPTIST

observed its patronal feast on Saturday, June 24 with a concelebrated Mass, Fr. Michael Ramos presiding. Festive music was provided by a vocal quartet and 5 instrumentalists under the director of Thomas DeFrancesco. A reception in the church hall followed the Mass.

Since St. John the Baptist is the patron of national and international cities and countries, Mass attendance reflected the devotion to this saint not only by parishioners but also by people from the Metropolitan area.
